Registration form for COMPUTE course
“Introduction to Python”, 2019

The course “Introduction to Python” will be given in the second study period of the autumn term 2019 (starting October 30). No previous programming knowledge is required. Participation in the course requires an operational computer on which you can install software. More details about the course can be found at the COMPUTE website http://cbbp.thep.lu.se/compute/Courses.php. You must be enrolled in the COMPUTE research school to register for the course.

Name:

E-mail:

Department:

Enrolled as PhD student in faculty: Science LTH Medicine Other:

I have access to a suitable computer: Yes No

To help us best judge the level of the course please answer the following questions:

I have previous programming experience: Yes No

I have research problems that I wish to write a program to solve: Yes No

My PhD involves working with mathematical or statistical models: Yes No

I have some basic knowledge of linear algebra (vectors and matrices): Yes No

I need to handle large volumes of data: Yes No

Main supervisor name & email:

Date, signature: (PhD student)

Date, signature: (supervisor)

Please send the signed form by e-mail to Ross Church (ross@astro.lu.se) or by internal mail to Ross Church, Astronomy, HS 25.
