

## Registration form for COMPUTE course

### “Reproducible and Interactive Data Analysis and Modelling using Jupyter Notebooks”

This course will be given in the second study period of the autumn term 2018, 3-5 December and 14-15 January. Students of all backgrounds are invited to register for the course. Some experience with programming is required. More details about the course can be found at the COMPUTE website <http://cbbp.thep.lu.se/Compute/Courses.php>. Spaces in the course are limited, so please register as soon as possible to increase your chances of being admitted. Please return this form by 16 November 2018. You must be enrolled in the COMPUTE research school to register for the course; please check the COMPUTE website for instructions on how to join the research school.
